

Face and Neck

1. Base face and neck with Hi-Lite Flesh. Line details with thinned Dioxazine Purple, and eyes with Warm White. Lightly stroke in eyebrows.

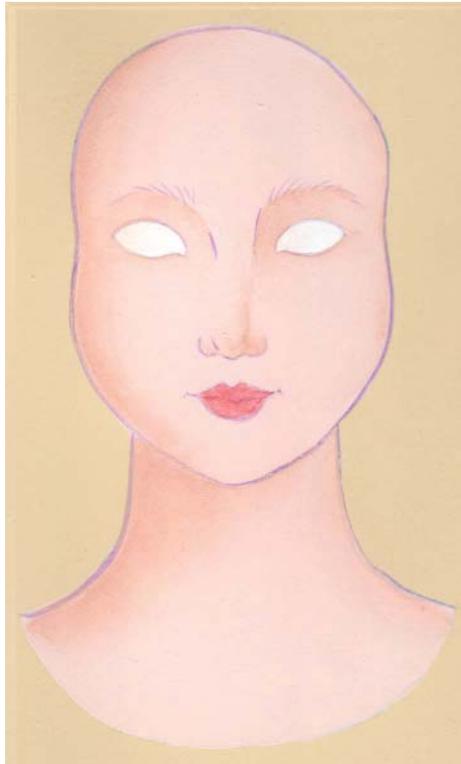

2. Float down left side of face and neck with Flesh Tone. Strengthen float by widening.

3. Float under chin from left to right, strengthen on left. Lightly float down right side of face and neck. Float across bottom of nose pulling up on center right.

4. Float under eyebrows and down side of nose extending the float longer on the right. Basecoat lips with thinned coat of Terra Coral.

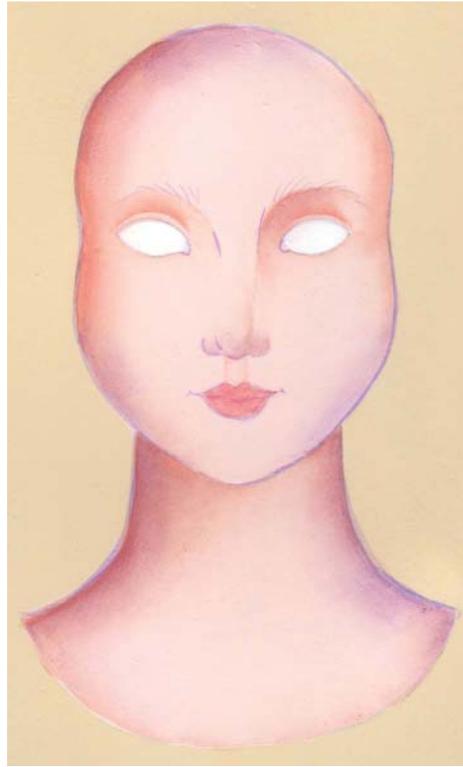

5. Float around eyes.

6. Using Shading Flesh reinforce shading by floating down left side of face and neck, float lighter on right temple and neck and under eye-brows and down right side of nose.

7. Using Shading Flesh float behind crease in eye, under neck and along top of dress. Also float from nostril to top of lip on each side.

8. Float with thinned Dioxazine Purple under chin, both sides of neck, left side of forehead, tip of nose, contour of cheeks and in eye ducts.

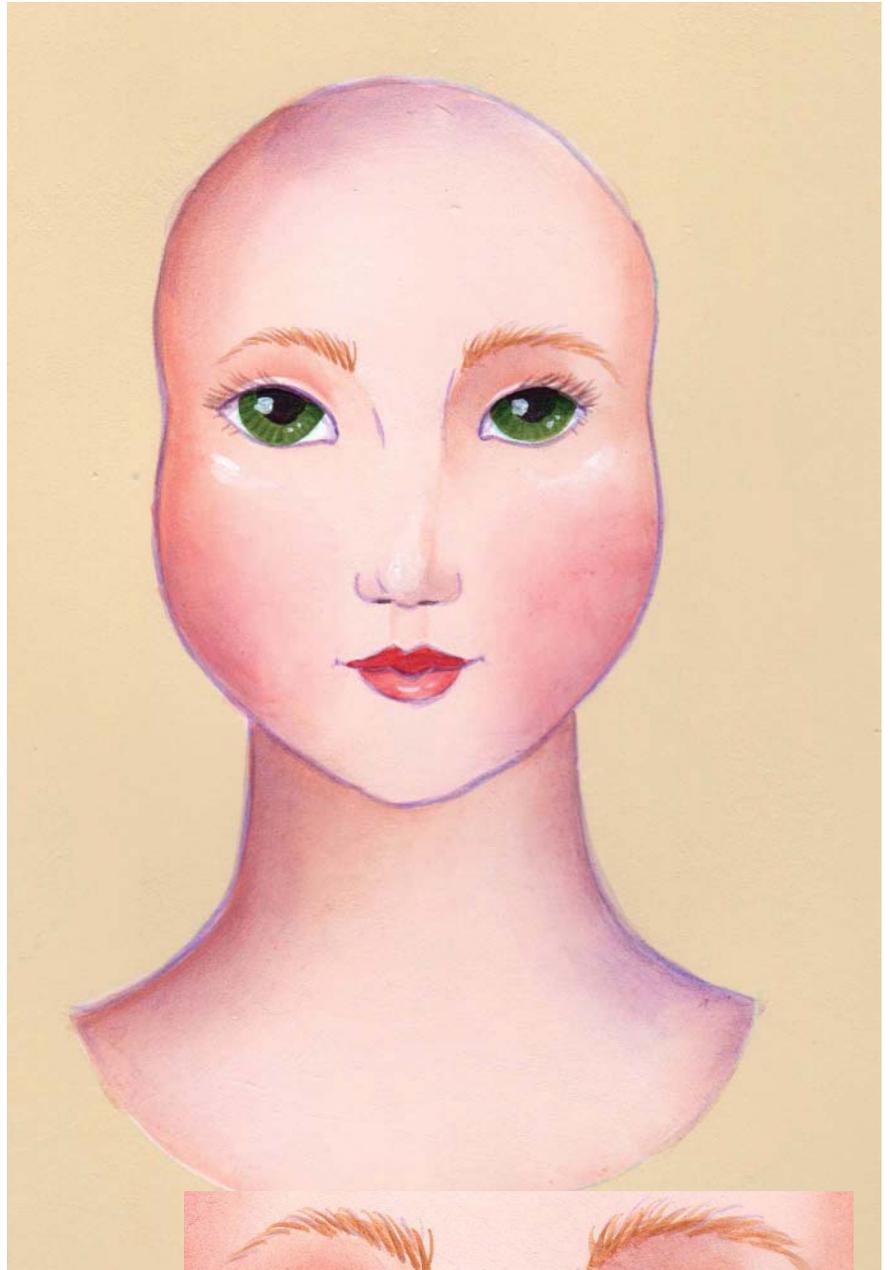

9. Paint iris Hauser Medium Green and pupil Soft Black. Float Terra Coral wash on cheeks.

10. Reline eyes, nose, mouth and face with Dioxazine Purple. Float across top of iris and paint short lines on left and bottom of iris with Evergreen. Paint Hauser Light Green lines on lower right side of iris. Using brush mix of Warm White and Hi-Lite Flesh paint highlight on cheekbones, eyelid, and tip of nose.

11. Wash Country Red on top lip. Float Country Red in corners of lower lip. Using Honey Brown paint eyebrows following the direction of hair growth.

12. Highlight eyes, lower lip and on top of lip with Warm White. Wash Dioxazine Purple over top lip, and across top of eyes. Strengthen line between lips with Dioxazine Purple. Line top of eye and paint lashes with Soft Black.

Hair

1. Using round brush, stroke on hair with Burnt Orange following section of hair and hair growth. Float Spiced Pumpkin highlights on hair.

2. Shade with Milk Chocolate.

3. Using 10/0 liner and Milk Chocolate, paint strands of hair.

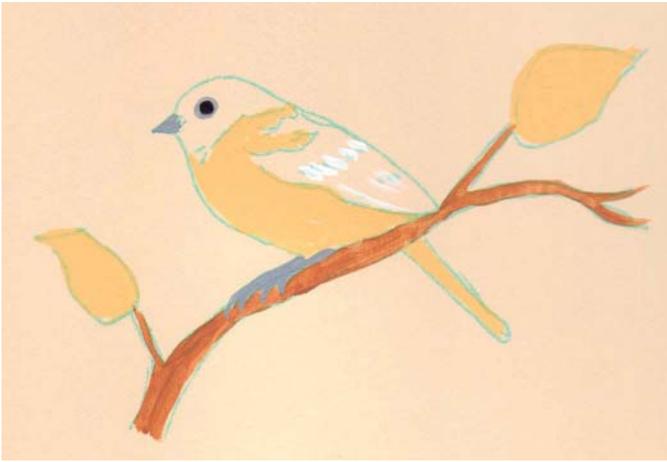

4. Using 10/0 liner brush and Spiced Pumpkin, add additional strands of hair.

5. Using 10/0 liner, add highlight strands with Tangerine.

Bird, Branches and Leaves

1. Base belly Moon Yellow, eye Soft Black, beak, feet and around eye with Slate Grey. Paint markings on wings with Warm White for placement.

Branches and leaves : Base branches Honey Brown and leaves Moon Yellow.

2. Shade front of chest and belly, top of tail and under lower wing with Burnt Orange. Using 2/0 liner and Soft Black stroke feathers on head and back following growth direction.

Branches and leaves : Shade branches with Milk Chocolate. Float Country Red, Tangerine, Burnt Orange, and Hauser Light Green randomly on the leaves.

3. Shade top of beak and line with Soft Black. Using 6/0 liner, stroke over black feather on head, back, tail and wings with Soft Black. Outline legs and place diagonal marks on legs with Soft Black. Using Tangerine stroke over yellow on belly, back and tail.

Branches and leaves : Paint veins and lightly outline leaves with Honey Brown. Reinforce shading on branches with Dioxazine Purple.

4. Using 6/0 liner and Spiced Pumpkin, paint small strokes on belly, and top of tail. Add additional strokes with Burnt Orange in darkest areas. Paint markings on wings and highlight eye and beak with Warm White.

Necklace

1. Base stem and leaves with Hauser Light Green and flower center with Moon Yellow. Float vein on leaves, back of leaves, flower center and randomly on stem with Honey Brown. Using 2/0 liner and Tangerine, stroke petals on flower and bud. leave space between petals for additional petals to be added.

2. Paint Sea Glass highlight against front of vein and outside edge of each leaf and across front of unopened bud. Paint thinned Moon Yellow dots on center using tip of brush. Stroke Moon Yellow petals between Tangerine petals on flower and bud.

3. Reinforce shading in center and float inside edge of petals with Dioxazine Purple. Line stems randomly, paint veins on leaves and paint dots around center of sunflower with Dioxazine Purple. Float randomly over stem with Dioxazine Purple.
