Shara Reiner and Jane Allen have designed this adorable 38" Santa on wheels, holding onto his ornaments and a pack full of goodies. He is a little sculpting, a little painting, and a whole lot of fun!

Monday you can arrive anytime after 2:00. Dinner will be served at 5:00. The day is planned for prepping our Santa's and working on other small projects. Tues and Wed will be full days of creating. You will have time in the evenings to work on your project or other projects, go for a walk or shopping in Carlise. Thursday we can be at the facility until noon.

Fee includes meals, room (bedding and towels provided) and supplies to create Santa project, plus some fun surprises. The rooms will slept 3-4, four if one of you don't mind the top of the bunk bed. Three if you like being closer to the ground. We can hook you up with a room mate or two. See pictures of the facility on their FB page: <https://www.facebook.com/MountAsburyRetreatCenter/>

Flying in? We will pick you up at Harrisburg Airport and get you back on your plane.
